Date	Fieldwork with your Mentor: Provide a description of all work completed under the direct guidance of your mentor.	Number of Hours
9/27	First meeting at Dunkin Donuts to discuss to IDC and my task for the next few weeks	1
10/11	Meeting at Dunkin Donuts again to give work to Krista and discuss future work	1
11/15	The first meeting we had at town hall with the official board members. We learned our new tasks and information about the town of mansfield. We got a say in the voting on different things for the meeting, acting like official members on the board. Emily and I presented our progress.	2
12/20	This meeting was similar to the last. The meeting occurred at town hall and we had speakers from different organizations and companies talk to us about new developments occurring in Mansfield. We learned about new businesses moving into mansfield too. Emily and I presented our progress.	2
12/13	I interviewed mansfield shredding on their business. This took long in order to develop the questions, then present the questions to the owner, and later revise them to post to the Mansfield 02048 facebook page without any errors.	2
12/21	Meeting with the IDC where guests from SEED and the Gatra came in and spoke about their initiative and how they could help the IDC and the town of mansfield economically. I presented my recent work and was then assigned new tasks to be presented at the next meeting.	2
1/17	At this meeting there were no guests but many new assignments for the new year. Emily and I were given the task of creating a new social media platform for the IDC for more popularity and we chose twitter. We	2

	then had to tweet at a few companies to discuss their interest in starting a business at an open spot in Mansfield.
